The House of Peace

“Serving Christ’s Poor”

Please Pray for . . .

“I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me...” (Matthew Chapter 25)

The House of Peace....Making a difference in Milwaukee since 1968

Feeding the hungry is central to the mission of the House of Peace. No person should be hungry and none are turned away who seek emergency aid for food.

The House of Peace **UWM Nursing Clinic** helps those who have no other place to turn for medical care.

The House of Peace-**Marquette University** weekly **Legal Clinic** counsels our guests on family law matters, landlord-tenant issues and many other civil matters. For many of our guests this is the only legal recourse available to them.

The **Capuchin Clothes Closet** provides clothing for the needy.

The House of Peace **Social Worker** carefully and thoughtfully helps guests rebuild lives.

The House of Peace **Teen Leadership/Scholarship Program** focuses on education and encourages our teens to become peacemakers in their families, schools, and neighborhoods.

The House of Peace **Holiday Food & Toy Program** makes the holidays cheerier when children receive toys and there's food available for a home-cooked holiday dinner with trimmings.
