ADVENT TOY DRIVE

Help our parish bring joy to needy children this Christmas!

The House of Peace is distributing food baskets to 1,000 needy households this holiday season. Each year these households include an average of 2,000 children.

Our parish goal is to collect toys to donate to the House of Peace to distribute at Christmas. Their guests live in some of the poorest neighborhoods and without donations they can not provide all the children with toys.

We would like to have toys ready to deliver to the House of Peace by Thursday, December 13th. May God bless you!

Please bring a new toy to Church no later than:
